Dear Parents,

We are sending a student information form home tonight that needs to be completed and returned to school tomorrow. We need one form for each student. Please make sure that we have your correct mailing address, phone number, school district, and email address.

All students are required to have medical insurance. If you have a policy that covers your child while at school and while participating in extra-curricular activities, you do not have to purchase the school's insurance. If you do not have insurance coverage, school insurance is available. The coverage and costs are explained in the attached insurance brochure.

All hardback textbooks must be covered for school tomorrow. Newspaper or notebook paper cannot be used.

Every family received a student handbook at the book sale. The conclusion of the handbook asks parents to support the school in word, deed, and prayer. Please verify that you can and will do this by completing the form below and returning it back to school tomorrow.

Sincerely,  
Mr. Edwards
